SKILLS

- **Languages:** C, Python, SQL, DBMS, HTML, CSS, Java Script.
- **Engineering Tools:** VS Code, Git/GitHub, Proteus, AutoCAD, Microsoft Word, Microsoft Power Point, Dev C++.
- **Domain Expertise:** Computer Science & Engineering, Software Development, Data Base Management, Data Analytics.
- **Soft Skills:** Listening, Creativity, Adaptability, Communication Skills, Time Management.

PROJECTS

Personal Portfolio Website

Jun 2026 - Aug 2026

- Created a responsive personal portfolio website **to showcase my technical skills, projects, certifications, and professional profile.**
- Utilized **HTML, CSS, JavaScript with a clean and user-friendly interface.**
- Integrated **responsive design and interactive elements** to ensure an engaging user experience across many devices.
- Deployed the portfolio website **using GitHub pages for online accessibility.**

Web-Based Calculator Application Feb 2026 - Apr 2026

- Built an interactive calculator using **HTML, CSS, and JavaScript.**
- Implemented arithmetic operations including **addition, subtraction, multiplication, and division.**
- Designed a user-friendly interface for **efficient input and calculation.**
- Applied **JavaScript logic** and event handling to **perform real-time calculations.**

Responsive User Authentication Interface Nov 2025 – Dec 2025

- Developed a responsive **user authentication interface** using **HTML, CSS, and JavaScript.**
- Structured **input fields for user credentials** with a clean and **intuitive layout.**
- Implemented **client-side form validation** and interactive **user interface elements.**

CERTIFICATIONS

- | | |
|---|------------------------|
| • Computer Programming Lovely Professional University 150 Hours | Jan2026 – May 2026 |
| • Introduction to Data Science Infosys Springboard | Jan 2026 -- March 2026 |
| • HTML Essentials Training Cisco Networking Academy | Jan 2026 – Feb 2026 |
| • Introduction to Python Programming infosys Springboard | Oct 2025 – Dec 2025 |
| • Healthy Habits for Healthy Life EDUTECH HUB | Sep 2025 – Oct 2025 |

ACHIEVEMENTS

- | | |
|---|----------|
| • Secured A grade in Computer Programming | May 2026 |
| • Secured A grade in Python Programming | Dec 2025 |
| • Participated in academic and technical activities related to Computer Science & Engineering | Jun 2026 |
| • Secured the HTML Essentials Badge from Cisco Network Academy | Feb 2026 |

CO-CURRICULAR ACTIVITIES

- Conducted an Environmental Awareness sessions.
- Participated in technical and academic activities.
- Engaged in learning activities related to programming and computer science.
- Completed hands-on learning activities in Python, C, and HTML.

EDUCATION

- | | |
|--|---|
| • Lovely Professional University
B Tech in Computer Science & Engineering, CGPA: 8.54 | 2025 -- Present
Phagwara, Punjab |
| • RK Junior College
Class XII, Percentage: 95.5% | 2023 -- 2025
Machilipatnam, Andhra Pradesh |
| • ZPH School
Class X, Percentage: 82.17% | 2022-2023
Mallavolu, Andhra Pradesh |
